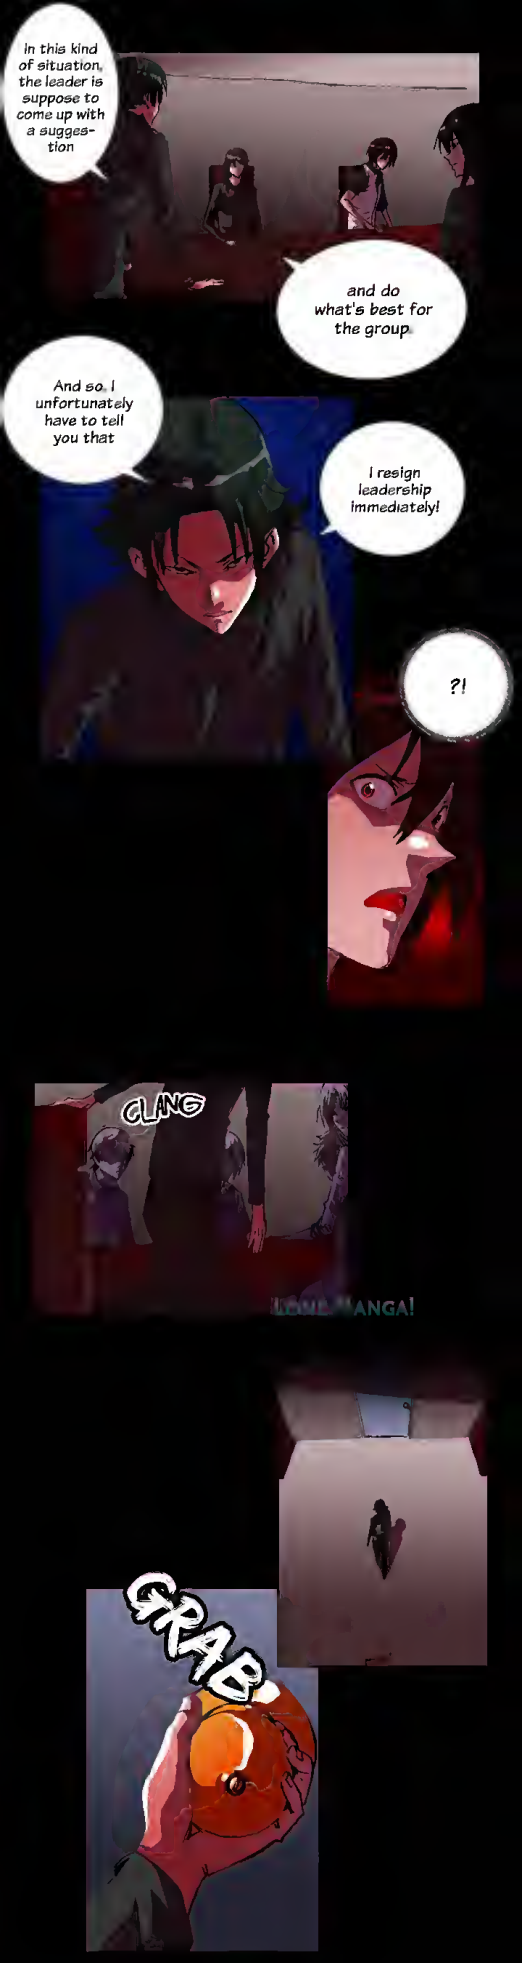
Chapter 20
[Tower of the Goddess Part 7]



In this kind of situation, the leader is suppose to come up with a sugges-tion
and do what's best for the group
And so, I unfortunately have to tell you that
I resign leadership immediately!
?!
CLANG
GRAB

BANG
CLACK
Wait, I shouldn't exit.
step

I need to go back to my room.

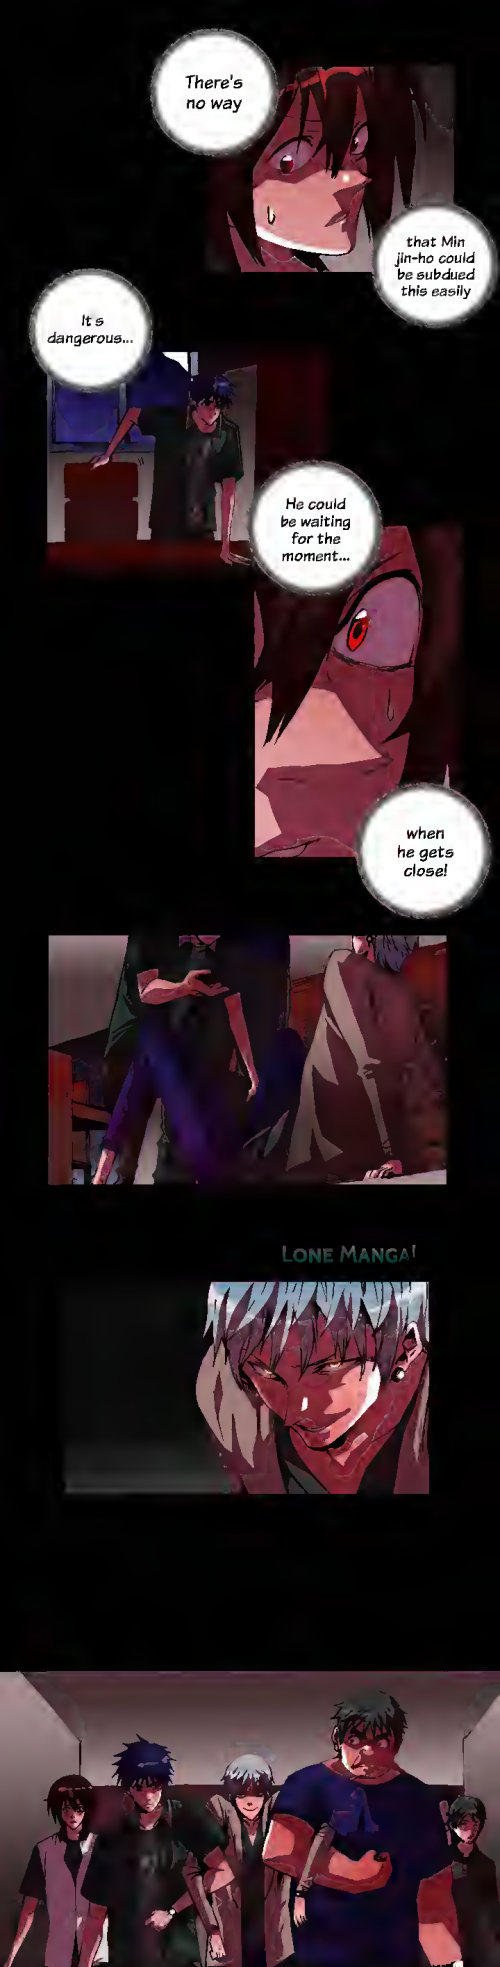
.....
Hey! Han Sang-il!
Help me out here.

We're going to...
confine Min Jin-ho in a room!
LONE MANGA!
You guys come along
From now on anyone doing something I don't like
will get the same treatment as him



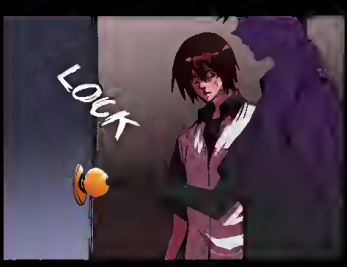
There's no way
that Min jin-ho could be subdued this easily
It's dangerous...
He could be waiting for the moment...
when he gets close!
LONE MANGA

PUSH

CREEAK

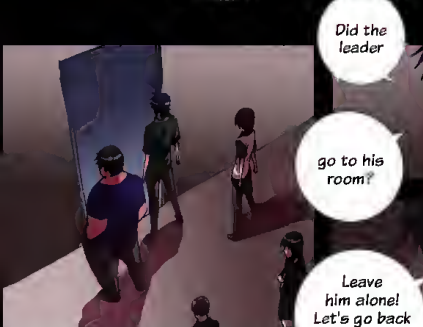
BANG

LONE MANGA!



LOCK

This one locks from the outside.
Is this room meant for imprisoning people?



Did the leader
go to his room?
Leave him alone! Let's go back to the first floor.

What the hell is this?
Are we having a meeting or something?
Because we're in a dire situation, I believe it's better to brain storm...
We need to come up with a plan, but first of all, we need to check something.
My clock is set to 2 hours after the original point.
Ji-yun right now...
SWOOP
TAP
Don't touch my body.
or I'll cut that finger off!

...
It's about 2 hours, too.
About an hour and a half for me.
3 hours for me.
What about you?
Ah...
It's been 4 hours...
What's the meaning of this?
Are we determining who's got more time here?
It's better...

To be continued...
